

Supporting the Future of UK Fresh Produce

The UK Fresh Produce Network (UKFPN) stands as the premier platform connecting businesses across the entire fresh produce supply chain. As the industry's collective voice, we foster collaboration between growers, distributors, retailers, and policymakers to drive innovation and sustainable growth in the sector. Our network provides the vital connections needed to navigate the complex challenges facing UK fresh produce today.

By joining or sponsoring UKFPN, you become an integral part of a movement dedicated to strengthening and supporting the UK's fresh produce industry through advocacy, knowledge sharing, and business development. Our members gain access to exclusive opportunities that help shape industry policies and forge valuable partnerships across the supply chain.

Sponsorship Opportunities

Sponsors of UKFPN receive unparalleled exposure to key decision-makers and stakeholders throughout the fresh produce industry. Your brand will feature prominently at high-profile UKFPN events and the UK Fresh Produce Network All-Party Parliamentary Group (APPG), positioning your organisation at the epicentre of industry discussions that influence the future direction of UK fresh produce.

Join the UK Fresh Produce Network

UKFPN membership offers your business access to industry insights, networking opportunities, and direct engagement with policymakers and supply chain leaders. Our comprehensive benefits package is designed to support your business growth while contributing to the overall strength of the UK fresh produce sector.

Exclusive Industry Events & Networking

Connect with key stakeholders, including retailers, distributors, growers, and government officials through our curated events calendar. Build relationships that drive business growth and foster collaboration across the supply chain.

Policy & Advocacy

Participate in industry discussions that directly influence trade agreements, sustainability initiatives, and regulatory frameworks. Your voice will help shape the policies that impact the future of UK fresh produce.

Market Insights & Business Support

Stay ahead of industry trends with expert analysis, comprehensive reports, and dedicated business growth support. Our resources help you make informed decisions in a rapidly evolving marketplace.

Supply Chain Collaboration

Engage with potential partners and explore new business opportunities within the UK fresh produce sector through our facilitated networking and collaboration initiatives.
